Note by the Secretariat

Summary

In the present note, the Economic and Social Council is invited to review the calendar of conferences and meetings for 2016 and 2017 in the economic, social and related fields and approve the meetings of its subsidiary bodies. Information on meetings of related bodies and conferences and meetings of governing bodies of specialized agencies and the International Atomic Energy Agency is also provided. The attention of the Council is drawn to the relevant provisions of General Assembly resolutions 45/264, 46/235, 50/227 and 61/16 on the restructuring and revitalization of the United Nations in the economic, social and related fields, and to Assembly resolution 68/1 on the review of the implementation of Assembly resolution 61/16 on the strengthening of the Council, which have been taken into account in the preparation of the calendar.

The Council is invited to consider further the biennialization of the sessions of its subsidiary bodies, in accordance with paragraph 2 (f) (ii) of its resolution 1988/77 and General Assembly resolution 50/206 A.

Attention is drawn to Council decision 1988/103, in which the Council decided to invite the Committee on Conferences to review the provisional biennial calendar of conferences and meetings of the Council in the economic, social and related fields and submit, as appropriate, its recommendations thereon to the Council.

1. The provisional calendar of conferences and meetings in the economic, social and related fields for 2016 and 2017, contained in the annex to the present document, has been prepared in accordance with the relevant General Assembly resolutions, in particular resolutions 37/14 C, 39/68 B and D, 40/243, 41/177, 41/213, 42/207 B, 45/264, 46/235 50/227, 59/145, 61/16 and 68/1 and the relevant decisions and resolutions of the Economic and Social Council. Attention is drawn to the following decisions of the Council and the Assembly:

(a) That on 13 December 2013, in accordance with General Assembly resolution 68/1, the Council adjusted its programme of work to a July-to-July cycle and adopted transitional arrangements for the election of its Bureau, taking into account the relevant rules, regulations and practices with regard to the work of the Council, its subsidiary bodies and United Nations funds and programmes;

(b) That the Council, as a Charter body, is entitled to convene meetings as and when needed, with full substantive support and conference services, and that the Council, beginning with its 2007 session, is entitled to convene additional meetings of up to two weeks in order to facilitate the fulfilment of its newly assigned responsibilities for organizing the annual ministerial reviews and the Development Cooperation Forum and to hold ad hoc meetings in order to effectively fulfil its mandate under the Charter (Assembly resolution 61/16);

(c) That all meetings of subsidiary and associated organs should conform to the Council's schedule of meetings and not vice versa (decision adopted at the Council's 1837th meeting, on 28 July 1972, at the fifty-third session);

(d) That the Secretary-General should ensure that meetings of the subsidiary bodies of the Council end at least eight weeks before the session of the Council at which their reports are to be considered (Council resolutions 1982/50, para. 1 (l), and 1988/77, para. 2 (f) (i));

(e) That the subsidiary bodies of the Council, with the exception of the regional commissions, may not create either standing or ad hoc intersessional subsidiary bodies without prior approval of the Council (rule 24, para. 2, of the rules of procedure of the Council);

(f) That the regular sessions of the Economic and Social Commission for Asia and the Pacific, the Economic Commission for Latin America and the Caribbean, the Economic Commission for Africa and the Economic and Social Commission for Western Asia and meetings of their subsidiary bodies may be held away from their headquarters when the commission concerned so decides, subject, in the case of regular sessions of the commissions, to the approval of the Council and the Assembly (Assembly resolution 40/243, sect. I, para. 4 (f));

(g) That the Council would adopt, on a regular basis, a biennial cycle of meetings that would correspond to the programme budget cycle, for better administrative control (Council decision 281 (LXIII), para. (b));

(h) That the regular sessions of the functional commissions and standing committees of the Council should normally have a duration of not more than eight working days; and, once the calendar of meetings has been adopted by the Council, no additional meetings involving departures from the biennial cycle of meetings would be authorized during the biennium (Council decision 1979/81, paras. (b) to (d), and Assembly resolution 34/50) and that the waiver to the headquarters rule contained in Assembly resolution 40/243 would be discontinued in the case of the functional commissions (Assembly resolution 49/221 A);

(i) That the meetings of the high-level political forum on sustainable development under the auspices of the Assembly shall be convened every four years by the President of the Assembly for a period of two days, at the beginning of the session of the Assembly, as well as on other occasions, on an exceptional basis, upon a decision by the Assembly; and that the meetings of the forum under the auspices of the Council shall be convened annually by the President of the Council for a period of eight days, including a three-day ministerial segment to be held in the framework of the substantive session of the Council, building on and subsequently replacing the annual ministerial review as from 2016 (Assembly resolution 67/290).

2. The Committee on Conferences, at its 154th meeting, decided that requests for intersessional departures from the calendar of conferences should only be submitted to the Committee for its consideration if accompanied by a presentation of detailed substantive arguments supporting a proposed change in or an addition to the calendar. The Committee also decided to request the Secretariat to inform the Committee, as far in advance as possible, of the need for a postponement of sessions of United Nations bodies, together with a presentation of the substantive reasons necessitating a delay.

3. In its decision 1992/214, the Council decided to grant authority to its Bureau to approve intersessional departures from its approved calendar of conferences and meetings in respect of its subsidiary bodies when the Council was not in session and after consultation with the Committee on Conferences.

4. In its decision 1988/103, the Council decided to invite the Committee on Conferences to review the provisional biennial calendar of conferences and meetings of the Council in the economic, social and related fields, beginning with the calendar for 1990-1991, and submit, as appropriate, its recommendations thereon to the Council. The Committee on Conferences is scheduled to meet on 25 June 2015 to review the Council's provisional calendar of conferences and meetings for 2016 and 2017 and may submit recommendations to the Council at its coordination and management meeting to be held from 20 to 22 July 2015.

5. In paragraph 2 (f) (ii) of its resolution 1988/77, it decided to further consider the biennialization of the sessions of its subsidiary bodies. As approved by the Council in its resolution 2006/49, the United Nations Forum on Forests biennialized its meeting schedules starting from 2007. The other subsidiary bodies of the Council that meet biennially are the Economic Commission for Latin America and the Caribbean, the Economic and Social Commission for Western Asia, the Economic Commission for Europe, the United Nations Group of Experts on Geographical Names, the Committee of Experts on the Transport of Dangerous Goods and on the Globally Harmonized System of Classification and Labelling of Chemicals, the High-level Committee on South-South Cooperation, the United Nations Convention to Combat Desertification in Those Countries Experiencing Serious Drought and/or Desertification, Particularly in Africa, the United Nations Environment Assembly of the United Nations Environment Programme (UNEP), the open-ended Committee of Permanent Representatives of UNEP, the Meeting of Heads of National Drug Law Enforcement Agencies, Europe, of the Commission on Narcotic Drugs and the Governing Council of the United Nations Human Settlements Programme.

6. The Council may wish to consider further the question of the biennialization of its subsidiary bodies in the context of its review of the mandates, composition, functions and working methods of its functional commissions and expert groups and bodies (see Council resolution 1996/41 and General Assembly resolution 50/227).

7. In response to paragraph 16 of section II of General Assembly resolution 66/233, in which the Assembly requested the Secretary-General to highlight any duplications and redundancies in conference servicing with a view to identifying innovative ideas, potential synergies and other cost-saving measures, the Secretariat made a proposal (A/67/127, paras. 13-15), which briefly described the mandates of the Council and the Committee on Conferences to review the provisional biennial calendar of meetings in the economic, social and related fields in odd-numbered years and examined the duplication and redundancy of preparing and issuing two almost identical draft calendars within a short period of time.

8. In that regard, the General Assembly, in paragraph 13 of section I of its resolution 69/250, reaffirmed the need to address the issue of duplications and redundancies in conference servicing and noted that the Council had decided, in its resolution 2013/13, to consider at a later date the necessity of reviewing its provisional biennial calendar of conferences and meetings in the light of the ongoing intergovernmental consultations on the further strengthening of the Council.

9. The Secretariat wishes to bring to the attention of the Council the information contained in paragraphs 7 and 8 above when the Council considers the item on the provisional biennial calendar of conferences and meetings in the economic, social and related fields at its coordination and management meeting in July, with the aim of obtaining the Council's views on the matter. On the basis of its current mandate and practice, any observations or recommendations made by the Committee on Conferences when it meets on 25 June 2015 to review the provisional calendar will be transmitted by the Chair of the Committee to the President of the Council.

10. In the preparation of the provisional calendar, due regard has been taken of General Assembly resolution 53/208, in particular paragraph 11, and paragraphs 5 to 9 of Assembly resolution 69/250, in which it was decided that United Nations bodies should be invited to avoid holding meetings on Orthodox Good Friday, Yom Kippur, the Day of Vesak, Diwali, Gurpurab and Orthodox Christmas and that these arrangements should be taken into account when drafting future calendars and meetings. During the biennium 2016-2017, these days occur on the dates set out in the table below.

[a] The languages in which interpretation will be provided are indicated. Languages in which translation and meeting records will be provided vary according to the rules of procedure applicable to the body concerned and, in the case of some working groups and similar bodies, according to the actual requirements when these are less than would be provided under the rules of procedure.

[b] Subsidiary body of the General Assembly or other related body.

[c] Conference services are funded from outside the regular budget of the United Nations.

[d] Treaty body.

[e] In accordance with paragraph 30 of General Assembly resolution 68/268, a maximum of three official working languages for interpretation will be allocated for the work of the human rights treaty bodies, with the inclusion, on an exceptional basis, of a fourth official language, when necessary to facilitate communication among the members, as determined by the committee concerned, taking into account that these measures will not constitute a precedent, given the special nature of the treaty bodies, and without prejudice to the right of each State party to interact with the treaty bodies in any of the six official languages of the United Nations.

[f] Pursuant to paragraph 4 of General Assembly resolution 56/242, and as decided by the Assembly previously, United Nations intergovernmental bodies are requested to avoid holding meetings on Orthodox Good Friday, which in 2017 falls on 14 April.

[g] In accordance with resolution 19/1 of the Governing Council of UN-Habitat, the Committee of Permanent Representatives shall be open to all Permanent Representatives of States Members of the United Nations and members of the specialized agencies that are accredited to UN-Habitat.

[h] In accordance with paragraph (h) of decision 19/32 of the Governing Council of UNEP, the Committee of Permanent Representatives shall consist of the representatives of all States Members of the United Nations and members of the specialized agencies, and the European Union, accredited to UNEP, whether based in Nairobi or elsewhere.

[i] For plenary meetings only.

[j] Pursuant to paragraph 6 of General Assembly resolution 69/250, United Nations bodies at Headquarters and other duty stations where the Day of Vesak is observed are invited to avoid holding meetings on the Day of Vesak, which in 2017 falls tentatively on 11 May.

[k] The United Nations Office at Nairobi prepares meeting reports (note-taking, compiling and editing) on behalf of the substantive secretariats of the meetings it services. These reports are substantive in nature and differ from other forms of meeting records prepared by the Secretariat.

[l] The Conference is entitled to four plenary meetings with confirmed services. Additional requests for conference services beyond its mandated entitlement will be provided on an "as available" basis.

[m] The Group of Experts meets every other year. In years when a United Nations conference on the standardization of geographical names is held, it meets on dates immediately preceding the opening date of the conference and immediately following the closing date of the conference.

[n] In accordance with the relevant oral statement of programme budget implications issued when the Committee of Experts on Global Geospatial Information Management was established, the Committee can hold its annual session in New York only during the "low activity" periods, i.e. either in early January or in August. If an annual session is held outside the "low activity" periods in New York, interpretation services can only be provided on an "as available" basis.

[o] Subject to the approval of the General Assembly.
